

SKV INTERNATIONAL SCHOOL TIRUVANNAMALAI

ACADEMIC ACHIEVEMENTS

SKV International School has been taking effective measures to ensure that holistic development of students is made through excellent academic and physical environment to create "Better students for Better nation". The school is ready to accept innovative and latest practices in the field of pedagogy. We have been continuously producing hundred percent pass in class X since 2017.

ENVIRONMENT EDUCATION

Environment Education is a part of the daily lesson that is taught and the importance is stressed on a regular basis in the assembly. The school has installed Rainwater harvesting in the campus. The school also has the Eco-club which functions effectively to make children know the value of maintaining green environment. The school has a green look with a lot of plantation all around.

SPORTS ACHIEVEMENTS

Games and sports develop physical and mental strength of every student. It helps them to become physically fit and thereby they can achieve more academically. The school provides more opportunity for students to perform regular exercises and yoga and to play and show the skill in various sports and games. Our students have participated in various events like; Volley ball, Kho-Kho, Chess, Archery, Carrom, Throw ball and also have won prizes.

INNOVATION

SKV has been open to adapt innovation and has been ready to practice the latest prescribed methods in the field of pedagogy.

OVERALL RESULT

By the hard work of teachers and students we have gained cent percent results for five years continuously. Most of the students have secured about 80%.

PTA ACTIVITIES

A whatsapp group was created to bring teachers and parents closer to make them know the daily work given for students. Parents have a direct access to communicate with the class – teacher for regular update of their child and the cases which need personal attention can be brought to the notice of the teachers. Parents can keep a real – time track of the status of their child for daily attendance, fees status, periodic results, school circulars and news etc. through the NLP APP (Next Learning Platform) on Android and Apple mobiles. Parent – Teacher meet is conducted after every Assessment to make the parents know about their ward's performance. Once in six months two parents (Members of PTA) from all bus routes of our school are invited to the campus and a meeting is conducted to discuss the performance of school and the areas required for improvement.
