

Admission Policy

Admission procedure:

The admission procedure at SKV INTERNATIONAL SCHOOL is friendly and transparent.

Registration is the first step for seeking admission followed by interaction / test as per class.

ADMISSION TO PRE-PRIMARY

Eligibility

Minimum age 3.5 years as on 31st March 2022 for Pre-Primary class.

The admission to Pre-Primary will be through informal interaction with the child as well as the parents.

ADMISSION TO CLASS I - IX

The admissions to Class I to III is done on the basic interaction with the child, checking their sensory skills, reading ability to know where the child stands and facilitate further to uplift the child's performance in all aspects.

The admission to Class IV is given if the child has passed the previous class from a recognized school.

The admission process is focused on getting to know the student very well through interaction and Academic Assessment.

Date and suitable time for Academic Assessment followed by interaction will be given at the time of registration.

ADMISSION PROCEDURE

The parents should submit the enquiry form followed by the admission form with furnished details.

Date and timings for interaction will be intimated through Phone.
